OUR LOCAL PRODUCE

Good afternoon and a very warm welcome to Mullery’s Restaurant at The American Express Community Stadium

We are very proud to call Sussex our home, the county gives access to an incredible range of sustainable produce right on our doorstep.

We use local suppliers for the food we prepare, ranging from bakeries, butchers and smoker’s, some of which are mentioned below.

If you have any questions about the menu, or if you would like more information on any of our suppliers, please do not hesitate to speak to one of the team.

We hope you enjoy your meal and, of course, the game!
