OUR LOCAL PRODUCE

Good afternoon and a very warm welcome to The Goldstone
Restaurant at The American Express Community Stadium

We are very proud to call Sussex our home, the county gives access to
an incredible range of sustainable produce right on our doorstep.

We use local suppliers for the food we prepare, ranging from bakeries,
butchers and smoker’s, some of which are mentioned below.

If you have any questions about the menu, or if you would like more
